

NORTHERN VIRGINIA TRANSPORTATION AUTHORITY

MEMORANDUM

TO: Chairman Martin E. Nohe and Members
Northern Virginia Transportation Authority

THROUGH: John Mason, Interim Executive Director

FROM: Michael Longhi, Chief Financial Officer

SUBJECT: NVTA Operating Budget

DATE: April 10, 2014

1. **Purpose:** To update the Authority on the NVTA Operating Budget.
2. **Background:** NVTA is funded through the participating jurisdictions and interest earnings. The Memorandum of Agreement (MOA) between NVTA and the member cities/counties permits the appropriate jurisdictional share of NVTA operational costs to be deducted directly from the 30% distribution or to be billed to jurisdictions.
3. **Comments:** As of this report, the rate of NVTA expenditure is below projections. Current expenses of approximately \$490,000 include approximately \$156,093 in bond preparation expenses. This results in actual cost of operations being approximately \$334,000 or 37% of the budget through nine months of the fiscal year. Specific considerations include:
 - a. Interest income is tied to the projected rate of regional (70%) project funding utilized by member jurisdictions as well as market rates. Interest earned on the 30% funding will be remitted to the member jurisdictions.
 - b. A significant amount (\$156,093) of NVTA expenses to date are related to preparation for the first bond issuance (bond validation suit and development of debt policy). Some of these expenses are recognized as committed but are unpaid, pending receipt of additional cash related to the execution of the MOAs. Many of these expenses are eligible for reimbursement when the bonds are sold.
 - c. The rate of budgeted expenditures will increase as NVTA staff is hired, employee benefits are established, computer equipment purchased and additional startup costs such as an accounting system are acquired.
 - d. Evaluation of prospective accounting systems is ongoing. Initial cost proposals for the system are in the \$25,000 range with web based or cloud hosting at approximately \$12,000/yr.
 - e. No changes to the operating budget are recommended at this time.
